

Newsletter 3

DENK-BILDER

Berlin, March 2018

Dear participants,
dear friends of the *The Philosophy of Freedom*.

with the slogan „to be continued“ we start our newsletter #3 and the second year of the project *DENK-BILDER*.

After Easter we will begin **designing a catalogue** which will show almost all works which has been on show in the exhibition DENK-BILDER here in Berlin. And to realize this catalogue we ask for your support: If you have worked for the exhibition and sent your art to us **please send us some words about the following issues**

- **Short description of your work method**, how you came upon the part of the *Philosophy of Freedom* you have worked with and how you found your way into the meaning;
- **the exact passage in the text** (most pieces of art came without this information which for the catalogue ist rather important to show precise information about edition, chapter, page and paragraph);
- your **personal experience by transforming** the written words into visual art (how you felt while working imaginatively).

We are looking forward to your reply. Please send it until 15 April 2018 via mail to katalog@denk-bilder.org

With the first show we layed the **foundation for further exhibitions** at different locations in Berlin and abroad – now we want to go on. If you know of some interesting locations or organisations we can get in touch with please let us know. And if you work in such a place, **please get in contact** with us, too. That will be much appreciated.

Our curator and exhibition contact is Anna Maria Mintsi-Scholze at ausstellung@denk-bilder.org

You want to get back your piece of art? Please let us know in writing until 10 April 2018. And please don't forget to inform us whether you are going to pick it up in person or whether you want us to send it to you for the postal fee. Please write an email with the subject „Return of Artwork“.

We are also **looking for private or institutional funding** for our further work with the *Philosophy of Freedom* and the project *DENK-BILDER*. If you have any idea where or whom to ask please let us know as well. We are happy about every hint. Armin Grassert, CEO of the Rudolf Steiner Haus Berlin, is happy to answer your questions about our intentions and plans as well as to receive your suggestions or even your funds.

Last but not least: If you haven't received one of our newsletters or if you are interested in the ongoing process, please visit our website denk-bilder.org where you can find all information in English and German.

Thank you again for your further support and encouragement.

Warm regards.
